"Looking Back"

In sharing all our memories of days gone by
times we've gone through before,
I shed a tear for the fast, fun year
And hope of remembering there's more.

In the looking back of "remember when?"
to think what we must be,
has certainly taken more than three years
if not eternity.

If I hadn't taken the time to care
would I have filled my memory up?
Or with each encounter found something
to remember
And nothing to forget.

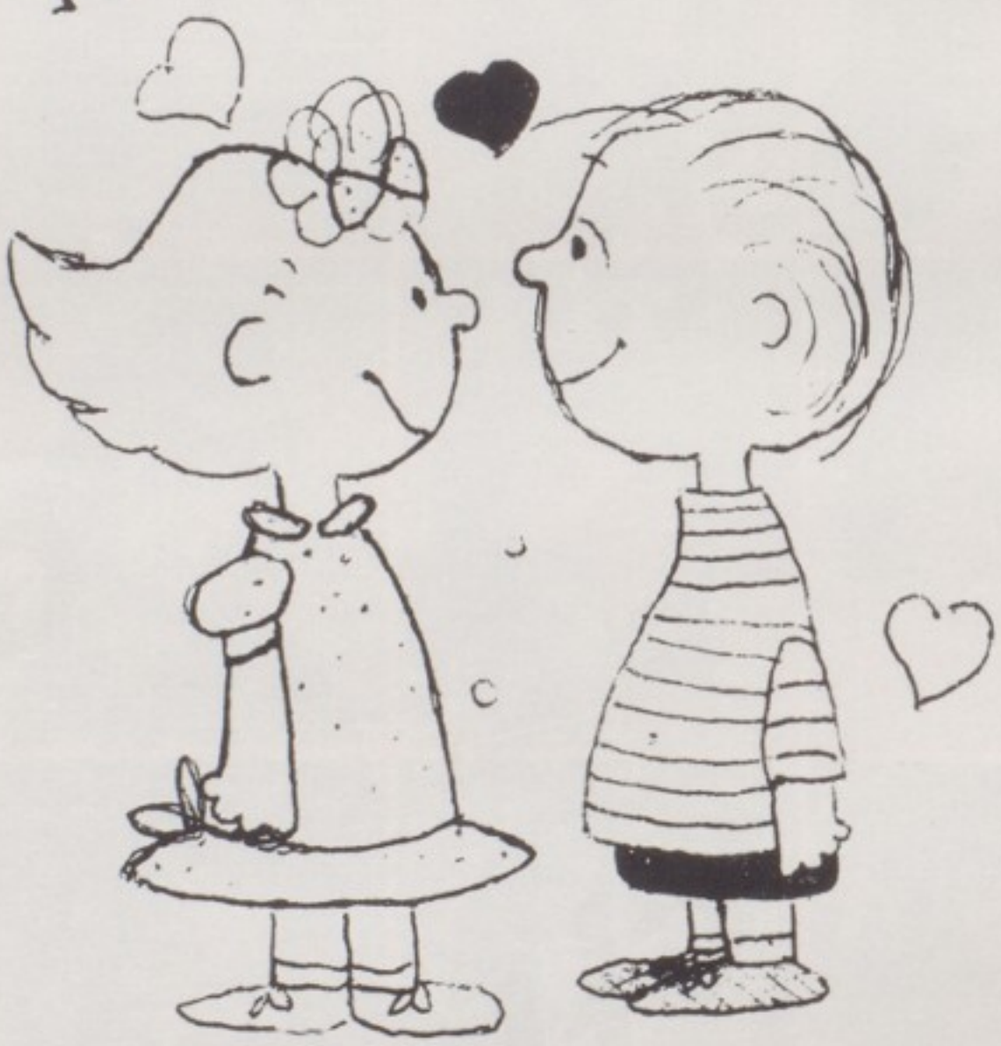
HAPPINESS IS...



homecoming '75

. . .a warm bonfire
. . .a spirited parade
. . .a victorious football game
. . .a delightful dance
. . .and a homecoming full of memories!

Sophomore Float: "We're Expecting T'win"

Freshman Float: "Gotcha in our Jaws"

For once the police arrived on time and the 1975 Homecoming Parade wound its way through downtown Decatur under warm sunshine and a bright blue sky. The Frosh got off to a good start with their very first float: "Gotcha in our Jaws". They received third place. "We're Expecting T'win" was what the Sophomore float had to say about Homecoming–and besides guessing right, they collected second place. The Juniors wanted the Bulldogs to "Rock on" but they probably got more than they bargained for when their bulldog rolled right off the truck!! Nevertheless, they received first place. We all knew that "Bulldogs are Outa Sight," but the Seniors proved it to us without a doubt. Too bad the judges didn't appreciate their efforts: Seniors landed a fourth place prize!!!!

"I'm so embarrassed!"

Homecoming games are always full of excitement and fun and this year was no exception! After last year's tuff 29-20 victory over Tolono, we knew that Lakeview was going to be no push-over. At first it looked as though it was going to be as close as last year, but the consistent running of Marty Bushell and Jerry Jones put that thought to an end. By the time the horn sounded the Bulldogs were on top 47-12.

As you all know, in October, all of us lost two very special guys, Mike Doolin and Alan Hall. About this same time last year Mike stood very proud on this stage and Alan stood proud out there in the crowd. Early that one Thursday morning in October Mike and Alan were killed. I visited the Doolin family, Mr. & Mrs., Kevin, Chris, and Theresa as they stood strong just a few hours after the accident. The whole family told us to be strong and to play the Tolono game with all of our hearts. That Friday afternoon the team decided to dedicate the Tolono game and the rest of the season to these two great guys. We couldn't have made it through that game and the rest of the season without these two very special families. So on behalf of the new 2-A State Champs of 1975-76, thank you Mr. & Mrs. Doolin and family; Mr. & Mrs. Hall and family.

Thank You,

Marty Leech

Once again, the Mission Club invited Santa Claus to be a part of our 1975 Christmas Party. Mission Club brings the deprived children of our city to St. Teresa every year, to come and enjoy an afternoon of fun. Each child is sponsored by a student from the school, who then in turn, buys presents for the child. The fun and games begin at two and at four the children leave with smiling faces, hearts full of love, and an armful of toys.

BASEBALL

Coach Howley's forces proved to be one of the best in the area. The Bulldog baseballers finished 11-3, including a phenomenal nine-game winning streak. That streak led the Bulldogs to an exciting showdown with Macarthur in the District Championship Game.

Pitchers Bill Leonard, Tres Kern, John Browning and Jack Hinton held opponents in check while St. Teresa hitters used their "Iron Mike" experience to blast a record number of homeruns.

EXPERIENCE IS THE KEY

Experience is a key.....
That unlocks treasured, hallowed doors
Revealed to you in moments
as you've never dreamed before.

At times when it would
seem this path could not
be meant for you.
Be not one to hesitate
but BE the one to do.

So venture forth, get both feet wet
be all you dare to be
With courage at the doorstep
Experience is the key.

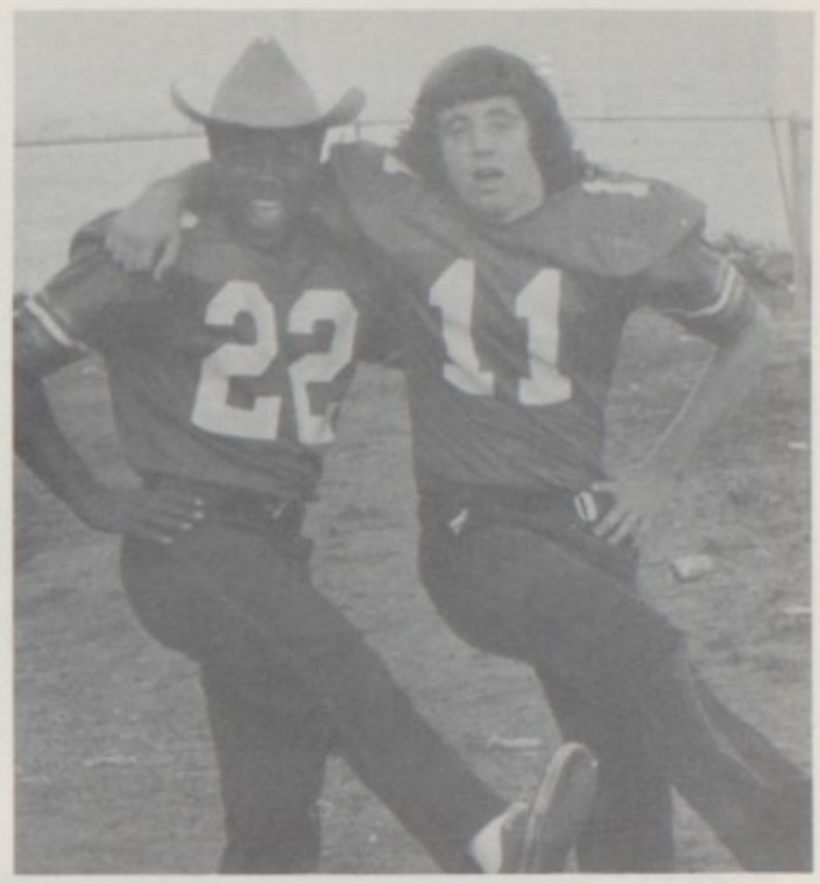
INITIATION. . .

. . .TO SENIOR
HOMECOMING

Day 6 at Russell's



These silly clowns are actually hardworking sports editors . . . at times.

You've never seen the seniors without a party . . . hat!

Smack-a-roo, but from who?

Bonch, what did ya get from Uncle Sam?

It seems like only yesterday I was a freshman, jubilant, anxious, and overwhelmed by the people who weren't anything to me then . . . slowly we came to be . . .

--Evelyn Houran

. . . But as seniors, we've changed our "styles."

Treasure Craft

. . .the only complete class ring selection.

You'll choose a class ring only once. Its design should reflect your own good taste and preference. But some manufacturers offer you only one (or sometimes two) designs to choose from. Treasure Craft offers four designs. And to further personalize your class ring, extra design options are available. The Treasure Craft ring you select will be one you've helped create and it will be on its way to you in just four weeks.
